Collection Note

Esther Leona Guthrie Hofferbert was a 1951 alumna of Bluffton College and attended Miami Valley Hospital School of Nursing in Dayton, Ohio. An album of clippings and mementos related to Hofferbert’s time as a Bluffton student was donated to the University by a family friend in December of 2016. The contents of the album (which was unremarkable) were removed from the album (for storage efficiency), appraised, and processed by Carrie Phillips during February 2018. The collection fills half a single letter size document case. (Carrie Phillips, Archives & Special Collections Librarian)
